CENTRAL

WELCOME TO STUDENT CENTRAL

WE'RE THE LARGEST STUDENT CENTRE IN EUROPE!

Previously known as University of London Union (ULU), Student Central is a student centre for those studying at universities in the University of London group.

However we're also an entertainment centre for all London students including those studying at global colleges - NYU, University of California and Coventry University's London based campuses.

As well as this, we also provide services for the general public and university staff.

WE'RE HUGE!

TOTAL STUDENTS* - 175,000
LONDON STUDENT MEMBERS - 120,000

UNDERGRAD** - 67%
POST-GRAD** - 33%

*Including distance-learners

**Estimate of non-distance learner students studying across UoL colleges.

FRESHERS

FRESHERS FAIR

30TH SEPTEMBER 2016

5,000 excited students from across London Universities descend upon our Freshers Fair every year. Taking over three floors of our huge Central London building, as well as the square outside; Student Central becomes an eager, buzzing hive of activity.

For the majority of students, this is their first time living away from home, and for a lot of students, this is also their first time studying in the UK. Our Freshers Fair provides the perfect opportunity for clients to make a lasting impression and develop long-term brand awareness with a keen student audience.

FRESHERS MEDIA

THE ESSENTIAL STUDENT CENTRAL GUIDE

Every year we produce the *Essential Guide*, full of advice for the new London student as well as information on Student Central's services and events.

We print 15,000 A6 copies to be handed out in freshers fair goody bags as well as induction days across London Universities throughout the year. There's also an online version available from our website, providing even more exposure for your advertisement.

Artwork deadline: 5th August

ON-SITE MEDIA

Take advantage of year-round advertising campaigns through Student Central. We offer opportunities to come on site and engage with students face-to-face, (great for distributing samples, gathering student data and general brand awareness).

Flyering is another great way to get your message directly into the hands of students. You can use your own promoters or utilise our own student staff team.

Alternatively, we have a range of visual campaign spaces available from A3 posters, to fully animated Plasma screens.
